

## Google

Do you have an ambition or a dream that you have always wanted to pursue but haven't been able to achieve yet? Are you looking for ways to move onwards and upwards? Do you have a willingness to change? Have you been trying to get a promotion, but need to learn new skills in order to get one? Maybe you're striving for more independence and want to run your own business?

### **Whatever your goal, however big or small, we want to hear from you!**

We're looking for people aged between 25 and 55, to be part of an exciting short documentary film for Google. This is a new initiative consisting of physical spaces on the high street that provides free in-person training (with a digital slant) to everyone who wants to grow themselves or their business.

This is paid work and will be shooting between 22<sup>nd</sup> and 27<sup>th</sup> June. If you are interested in participating, please send an email to [assistant@emmastafford.tv](mailto:assistant@emmastafford.tv) with the following information:
